

# **Job Description**

## 1. JOB DETAILS

**Job Title:** Registered Nurse

**Band:** 5

**Location:** Searle House, Exeter EX2 5JJ

**Hours:** As per contract, with rotation to nights

**Team/Directorate:** Inpatient Unit

**Responsible To:** Ward Manager

**Responsible For:** N/A

**Accountable to:** Head of Inpatient Services & Clinical Quality

#### 2. JOB PURPOSE

To deliver an excellent standard of evidence based specialist palliative nursing care and clinical advice.

To promote dignity, encompassing a person centred approach, to positively enhance the lives of patients with complex life limiting illnesses.

## 3. KEY RESULT AREAS/PRINCIPAL DUTIES AND RESPONSIBILITIES

## 3.1 Main Responsibilities

- Contribute to the assessment and review of patients, prioritising needs and working as a member of the Inpatient Unit (IPU) team to ensure effective communication is in place to support patient care.
- Develop advanced communication skills and professionalism in your interactions with patients and those close to them, carers and other professionals in order to promote and maintain Hospiscare values.
- Attend and contribute to multi-disciplinary, complex care and Gold Standards Framework (GSF) or End of Life meetings to promote best practice.

Updated: September 2022 Page 1 of 5

- Develop knowledge and skills to be able to contribute in the delivery of education and learning for all those involved in palliative/end of life care, in order to act as a resource to wider professional and care teams both internally and externally.
- Contribute to Hospiscare's clinical governance and audit process in order to support continuing quality improvement and learning.
- Develop advanced skills in identifying and assessing complex bereavement and communicate effectively with the Supportive Care team in order to enable a seamless handover into Hospiscare's Bereavement Care Services.
- Co-ordinate junior colleagues and take responsibility for the team in the absence of the Ward Manager or Senior Registered Nurse to ensure continuity of service and welfare of patients.
- Assist with the planning and implementation of discharges to help patients achieve their preferred place of care.

## **Infection Prevention and Control**

Maintaining a safe environment for patients, visitors and employees is everyone's responsibility. All staff are required to adhere to Hospiscare's Infection Prevention and Control Policy and make every effort to maintain high standards of infection prevention and control at all times. This includes ensuring personal and team compliance with all relevant policies and procedures, and acting upon or reporting any identified risks.

## **Disclosure and Barring Service**

This role requires a Disclosure and Barring Service (DBS) Enhanced level check with Adults and Children Barred Lists.

## 3.2 Key Contacts

#### Internal:

- IPU team
- Community teams
- Medical team
- Supportive Care Services
- Clinical Governance
- Clinical Administration
- Reception and Front of House team
- Estates/Catering team

Updated: September 2022 Page 2 of 5

#### **External:**

- Patients and those close to them
- Royal Devon University Healthcare NHS Foundation Trust
- NHS Community Services
- General Practitioners
- Residential and Nursing Homes
- Social and Domiciliary Care Workers
- Providers of out-of-hours services

# 3.3 Health & Safety

- Ensure that Health and Safety guidelines and fire regulations are strictly adhered to
- Comply with safe working practices as defined by Hospiscare
- Complete online training as and when required
- Take reasonable care for your own health and safety and that of others who may be affected by acts or omissions at work
- Report any accidents, incidents or near misses as soon as reasonably practicable
- Manage own work life balance and general wellbeing, including any relevant pressures in respect of lone working, travel, difficult environments and challenging situations

## 3.4 General

- Be aware of and adhere to Hospiscare policies and procedures at all times
- Take part in progress/performance reviews throughout the year
- Cooperate with other Hospiscare departments
- Attend training courses and complete online training modules as required to meet the requirements of the post
- Take responsibility for own personal development, seeking out opportunities to learn new skills
- Undertake any other duties as requested by management which are reasonably deemed to be within the scope of the role

## 3.5 Other

- Apply the Hospiscare values and behaviours to every aspect of the role at all times
- Promote and maintain the brand standards of Hospiscare
