

Job Description

1. JOB DETAILS

Job Title: Registered Registered Nursing Associate

Band: 4

Location: Searle House, Exeter EX2 5JJ

Hours: As on contract, to include rotation to nights

Team/Directorate: Inpatient Unit

Responsible To: Ward Manager

Responsible For: N/A

Accountable to: Head of Inpatient Services and Clinical Quality

2. JOB PURPOSE

To work within the multi-disciplinary team and alongside experienced registered nursing staff to contribute to the ongoing assessment of patients, and to the provision and monitoring of care.

To provide holistic and person-centred care and support for patients, working independently across the full range of nursing activities under the leadership of senior nursing staff.

To promote dignity, encompassing a person centred approach, to positively enhance the lives of patients with complex life limiting illnesses.

3. KEY RESULT AREAS/PRINCIPAL DUTIES AND RESPONSIBILITIES

3.1 Main Responsibilities

 Provide compassionate, safe and effective care and support to patients and those close to them, to ensure a seamless transition of care across all Hospiscare settings.

Updated: November 2022 Page 1 of 6

- Assist in monitoring patients' conditions on a continuous basis, in partnership with the patients and those close to them, to ensure appropriate escalation to a more senior nurse when required.
- Perform delegated activities in line with professional standards, under the direction of senior registered nurses, in order to provide effective evidencebased care for patients.
- Assist with the ongoing assessment of patients and work collaboratively with the multi-disciplinary team in order to ensure a high standard of nursing care at all times.
- Assist in supporting patients to improve and maintain their mental, physical and behavioural health and wellbeing, identifying and reporting changes in a patient's condition to a senior registered nurse, to ensure a holistic approach.
- Prioritise and manage own workload, recognising where elements of care can safely be delegated to other colleagues, carers and family members, to ensure effective care is delivered for all patients.
- Communicate effectively with all patients, relatives, colleagues and others, considering potential barriers to understanding, to ensure dignity and respect are observed.
- Adhere to Hospiscare's clinical recordkeeping policy when providing and sharing verbal, digital or written information and instructions, to ensure patient confidentiality is observed at all times.
- Undertake safe and effective administration and optimisation of medicines, monitoring the condition and health of patients following administration of medication, in order to comply with Hospiscare policy and the Nursing and Midwifery Council (NMC) standards of proficiency for Nursing Associates.

Infection Prevention and Control

Maintaining a safe environment for patients, visitors and employees is everyone's responsibility. All staff are required to adhere to Hospiscare's Infection Prevention and Control Policy and make every effort to maintain high standards of infection prevention and control at all times. This includes ensuring personal and team compliance with all relevant policies and procedures, and acting upon or reporting any identified risks.

Disclosure and Barring Service

This role requires a Disclosure and Barring Service (DBS) Enhanced level check with Adults and Children Barred Lists.
